O R D E R

On September 9, 1986, Hardin County Water District No. 1 ("Hardin County") filed Motions to continue the September 18 hearing and for an informal conference. Hardin County stated that it has been given insufficient time to respond to the staff report and was unable to properly prepare for the hearing. IT IS THEREFORE ORDERED that:

1. Hardin County's Motion for a continuance be and it hereby is sustained. However, Hardin County should clarify within

10 days from the date of this Order its statement in the Motion that "The Water District has a contractual duty with the insurance carrier which will prevent the Water District from being able to fully present its case before the Commission."

2. Hardin County shall furnish within 10 days from the date of this Order additional support, including the reasons and proposed agenda, for its Motion for an informal conference.
